The family of Julio Diaz ('68) has established an endowment in memory of their brother who died at the age of 53. Julio's sisters want to help St. Thomas Aquinas High School students with their Catholic education since the schools were so supportive of them when they arrived from Cuba in 1962. Julio died from a stroke as a result of being a very heavy smoker; therefore, the family requires the recipients to make a commitment to avoid tobacco products. The endowment provides two \$2,500 scholarships to two students annually.

The following criteria must apply:

- 1) Must have completed at least one year at St. Thomas Aquinas
- 2) A minimum G.P.A. of 3.5
- 3) A record of school and/or community service
- 4) Demonstration of involvement in extracurricular activities at St. Thomas Aquinas
