

NHS APPLICATION REQUIREMENTS

Scholarship:

To be eligible for NHS, a student must have a cumulative grade point average of 3.50 or better and must be a Junior or Senior. The cumulative GPA must remain at 3.50 or better in order to remain in NHS. The grades of all NHS members are checked each semester. Should the student's GPA not increase to 3.50, the student will be removed from NHS and not receive Honor cords at graduation.

Applicants qualify for membership in NHS by obtaining the approval of the NHS Faculty Committee, which is appointed by the principal. The Committee will meet and review the applicants' qualifications and faculty recommendations. A student must be in good standing with the STA faculty, staff, and administration to apply for NHS. A student who has exhibited multiple serious offenses shall be reviewed by the administration for possible probation and/or removal from NHS. Special Notes:

Students should recognize that although academically eligible, they may not have fulfilled the other requirements necessary for NHS membership. Such junior students who maintain academic eligibility will be invited to apply for NHS membership again in their senior year. Students should use the criteria presented in this application form to help assess and strengthen your application for membership if you are not selected this year.

NHS acceptance during junior year does not guarantee membership as a senior. The NHS Selection Committee will review all junior inductees at the beginning of senior year to assure compliance with the listed standards of NHS.

The deadline for this application is **Wednesday, November 1, 2017 at 3:30 P.M.** There will be no exceptions made to late applications submitted.

Students will have the writers of Letters of Recommendations turn in their letters. "Letter of Recommendation" forms can be submitted to Mr. Vagedes by email or in paper form by dropping off at the school or mailing to the school.
