

# PARKING PERMIT REGISTRATION 2018 - 2019

Students who have their parent's permission to drive to school may do so. Students must register their vehicle(s) and must display the identification permit on the rearview mirror. Permits are \$50.00 per year; \$30 per semester; or \$20 per quarter. This cost is necessary for the maintenance and repairs on our current parking lots. The parking permit is transferable from one family vehicle to another provided each car is registered with the Athletic Office. If the permit is lost, students must pay \$5.00 to have a new one re-issued.

Speeding, reckless driving or illegal parking may result in a \$10.00 fine, and also the possible forfeit of the student's privilege to drive to school.

We understand these rules and agree to abide by them.

**WARNING**  
**VEHICLES SUBJECT TO SEARCH**

All vehicles entering this area are subject to search by school authorities or by law enforcement personnel working with them and the person in control of the automobile shall be deemed to consent to such search. Search may be conducted without warrant for any reasonable purpose. Search of the vehicle includes all compartments and components thereof. After start of search, the vehicle may not be removed from the premises during the reasonable duration of the search.

We have read and understand the above warning regarding vehicle searches.
