

St. Thomas Aquinas Music Questionnaire

Please fill out and return so that we may better place your student in the appropriate music ensemble. If your child has not played in band but is interested, please indicate this so that I can contact your student about upcoming placement auditions. Band camp will take place August 6-10 from 9-12.

There will also be a meeting on Monday August 27th at 6:30 for new students who have never played and would like information regarding instrument rental.
